**Duration**

7.5  
hours

**Delegates**

Up to  
6  
drivers

# Course Outline

## Introduction

- Course objectives and current delegate experience.
- RIDDOR & HSE statistics (UK).
- Dangers and risks of having / not having a banksperson.

## Banksperson training

- Why the requirement?
- What could go wrong and how to mitigate risk.
- Control measures.
- Banksperson hand signals.
- Roles of the banksperson when a vehicle is manoeuvring.
- Characteristics of large vehicles when reversing.
- Use of signals under instruction.
- Complex banksman signals.
- Undertaking a dynamic risk assessment on banksman positioning.

# Course Review and Assessments:

What delegates are taking away in terms of knowledge and competency.

Complete an assessment and demonstration of key banksperson skills and discuss the training report.

# Advice for ongoing development Logistics:

Our Banksperson coaching is facilitated both in a classroom and in the customer yard area. To facilitate the classroom element, we will need:

- A room big enough to comfortably seat all attending.
- A wall to project an image onto.

For the practical Banksperson training we will require:

- Access to a safe a secure yard area to practice the skills.
- A vehicle and driver to be directed by the delegates.
- Customer to provide appropriate PPE e.g. high visibility jackets to delegates.

Our trainer will undertake a dynamic risk assessment prior to training and any risks that cannot be resolved may jeopardize the training.

It is this customers responsibility to ensure all facilities are available and appropriate. Please discuss at time of booking.
